

BINARI 9

VIAFIERS DA MODEL SPEZIALAS

Re 460 048 RailAway III

Since 3rd Dez 2014, Re 460 048 is pasted with ad-livery for SBB leisure offers RailAway. It's scheduled to run this locomotive for about 5 years on the tracks of SBB.

BINARI 9 is going to realize this attractive locomotive exclusively as model in H0 scale (1:87) by swiss producer HAG Modellbahnen GmbH in Stans.

The model is being produced costly handcrafted - starting up by a solid metal chassis, sophisticated printing and at least equipped with modern electronic including LED. HAG models are well known for their high quality, robustness and high traction.

The following versions will be available for orders:

28410-21	Re 460 048 RailAway III	DC Analog/Digital	CHF 700.00
28410-22	Re 460 048 RailAway III	DC Digital with sound	CHF 750.00
28410-31	Re 460 048 RailAway III	AC Analog/Digital	CHF 700.00
28410-32	Re 460 048 RailAway III	AC Digital with sound	CHF 750.00

This unique production will be limited to 50 models only. Every model will be delivered with a noble, numbered certificate. It's scheduled to deliver the models in spring 2017. So it's recommended to order immediately your personal model by sending an eMail to bestellung@binari9.ch.

If you have any questions, please don't hesitate to contact us - mail@binari9.ch

BINARI 9 is a common project run by Julian Brückel and Adrian Sigrön, aiming to realize specific models of real existing models in special liveries or appearances.
